About **KYOTO ART TRIP**

.....

**Kyoto is a city of traditional culture
with a history of 1,200 years,
and a city of contemporary art which constantly innovating.
Experience the special KYOTO ART TRIP.**

"In Kyoto, people tend to focus on the traditional scenery and famous sites such as shrines and temples, Arashiyama, Gion, and Maiko (apprentice geisha), but in fact, Kyoto is also a city of art. We will provide you with a trip that you cannot experience in usual trips, such as renting out an art museum at night, or a dinner at a hotel where you can enjoy Kyoto's art and live performances. You will be able to enjoy discovering new and profound charms of Kyoto that you will want to share with others."

Museum

Kyoto City KYOCERA Museum of Art

Opened in 1933 as the "Kyoto Enthronement Memorial Museum of Art". It is the oldest existing public art museum building in Japan. In 2020, while preserving this building as much as possible, the museum will be renovated by adding modern functions to create a fusion of "old" and "new" phases. Newly added features include the Higashiyama Cube, which is designed to accommodate contemporary art; the Collection Room, which introduces mainly masterpieces from the Kyoto art world; Atrium, which has a glass roof over the courtyard that was previously closed to the public; a Japanese Garden associated with Ogawa Jihei VII; a café; and a museum shop. The museum is now more open to the public.
